

LAST YEAR \$7,072.11 PLEDGES TO Y.M.C.A.

Reports Submitted by President Lamond and Treasurer Pierce

1921 BUDGET \$7,000

Twenty One Directors Chosen—Refreshments Served—100 Attend Meeting—Pictures Shown.

The first annual meeting of the Young Men's Christian Association at the Westminster Building last night was well attended and a most successful meeting in every respect. Over one hundred men were in attendance and association enthusiasm received a splendid boost at the meeting.

The first part of the meeting was given over to moving pictures, the first being a feature film starring Charles Ray in "The Pinch Hitter," and the second a comedy. President C. C. Lamond then opened the business session of the meeting and Dr. W. J. Morton, of Christ Church, led in prayer.

President Lamond then read his annual report which detailed the activities of the association for the past year. He reported for the last eight months of the year 1920. The report stated in brief that work had been carried on by the association in boy's work, physical work, educational work, religious and social work, with some attention given to economics by the observance of National Thrift Week.

Mr. Lamond's report was well received and there were many expressions of surprise at the scope of the work covered in such a short time. Carroll Pierce, treasurer, then read his annual report which was as follows: Amount of pledges turned over to the treasurer, \$7,072.11. Disbursements: Office, including printing and postage, \$427.05; petty cash, \$76.70; salaries, \$2,587.50; conferences and conventions, \$177.78; janitor, \$35.00; religious work, \$182.75; state executive committee, \$800.00; social work, \$100.87; annual banquet, \$187.70; educational work, \$52.21; athletics, \$78.33; visitation and moving expenses, \$64.22. Total, \$5,260.11.

Amount of cash on hand, \$600.00. Amount of pledges uncollected, \$1,112; total, \$7,072.11. Mr. Pierce stated that probably one half of the unpaid pledges were not collectable. He also stated that all January bills were cared for. The new budget of the board for the year 1921 was placed at the same figure as last year, \$7,000.00. This amount will be raised by the new board at once.

After the reports of the officers, Urban S. Lamont read the report of the nominating committee which reported seven names of prospective members of the board to serve three years, seven to serve two years, and seven to serve one year, as follows: Three years, C. C. Lamond, Urban S. Lamont, J. K. M. Norton, C. C. Carlin, Carroll Pierce, Gardner L. Booth, and Samuel W. Pitts. Two years, George K. Bender, Harry B. Caton, N. S. Greenaway, R. E. Knight, William Campbell, Charles E. Dure, and J. E. W. Timberman.

One year, Charles F. Holden, John G. Graham, Arthur L. Lloyd, Charles B. Swan, Warren L. Moody, Arthur M. King and W. S. Risdon. The report of the nominating committee was received and the entire list elected without change. The new board will meet at once and choose its officers for the coming year.

At the close of the business session refreshments were served by the Ladies' Auxiliary of the Y. M. C. A. "smokes" were passed and the men seemed to forget that a very late hour had been reached, as numerous questions were asked of the board regarding the future of the association in Alexandria. Considerable discussion took place during the refreshment period about the possibility of an equipped association and the consensus of opinion seemed to be that the day was not far distant when Alexandria would have a thoroughly equipped and up-to-date Y. M. C. A. both of the city and railroad types.

"Invisible Guests"

Express Agents Notified to Help in Work Through Sale of Certificates

To receive their daily meal which in many cases is the only food they ever get, three million five hundred thousand children, suffering from hunger, undernourishment, bitter cold and disease, gather around the 17,000 canteens, hospitals, clinics and public feeding kitchens maintained by the European Relief Council in Eastern and Central Europe.

If these children were to suddenly appear on our own streets and country roads, bare-footed, bare-headed, skin blue with cold showing everywhere through scanty rags, eyes big with famine, cheeks sunken, hands and arms bare, skin and bone, we would run to pick them up, and take them into our homes and clothe and feed and comfort them.

Well, they are not on our streets, not in our own country and we cannot personally minister to them, but we can place them in homes as "Invisible Guests" by providing the funds which will enable the European Relief Council to minister to them, and so the eight great benevolent organizations which make up the European Relief Council have united in an appeal to America for funds, and the American Express Company and the American Railway Express Company have answered the appeal by offering the services of their organizations to assist in raising funds by placing "Invisible Guests" in as many homes as possible, and it is hoped that every Express Agent will make an effort to find homes in his own community for these helpless children as "Invisible Guests," the report will be possible through the sale of the certificates that are herewith enclosed.

These certificates are so arranged that they can be sold for any amount of money from \$1 up. If the purchaser desires to pay \$20, which amount would care for two "Invisible Guests" until next harvest, the certificate would be filled in to show the name of the purchaser as entertaining "Two Invisible Guests Until Next Harvest." If \$10 were paid the certificate would be filled in to show the name of the purchaser as entertaining "One Invisible Guest Until Next Harvest." If \$5 were paid the purchaser would be shown as entertaining "One Invisible Guest For Five Months," or "Five Invisible Guests For One Month." A payment of \$1 will entertain "One Invisible Guest For One Month."

Awarded Banner

Presentation to Junior Chautauqua Friday Afternoon

The secretary of the Alexandria Chautauqua Association has recently received notice that Alexandria had been awarded the Junior Chautauqua banner for 1920. This banner is now on exhibition in Timberman's drug store, and will be presented to the Junior Chautauqua with appropriate ceremonies next Friday afternoon at three thirty at the Westminster Building. Following this the Y. M. C. A. will present as usual its special children's films, which are shown weekly. Junior Chautauqua and all children who enjoy the Y. M. C. A. motion pictures should be on hand at that time.

Alexandria boys and girls are to be congratulated that out of over three hundred towns on the Swarthmore Chautauqua Association Circuit Alexandria was one of the twenty which won banners.

The points on which the Juniors were judged were: Excellence in junior town meetings; excellence in junior pageants; behavior at junior meetings; and number of juniors who earned their tickets.

Fight For School Board

Mrs. W. J. Morton Drops Out of Contest—Ashby Bladen, Miss Rose MacDonald and Mrs. Charles M. Shepperson

A joint session of the city council will be held at 8 o'clock tonight for the purpose of electing a school trustee from the second ward to fill the vacancy caused by the resignation of W. F. H. Finke, formerly chairman of the board.

The race today narrowed down to a three cornered one. Mrs. William J. Morton, whose name was mentioned, having announced her withdrawal from the contest. This leaves in the field Ashby Bladen, Miss Rose M. MacDonald and Mrs. Charles M. Shepperson.

In order to elect it will be necessary for the winner to obtain thirteen votes. Whether or not any one of the three candidates can draw that number of votes on the first ballot remains to be seen. Many are of the opinion that it will require several ballots before there is an election.

It is expected that council again will make an effort to elect a trustee from the third ward. This contest is between James Hayne, incumbent, and Percy E. Clift. On numerous occasions council has made unsuccessful efforts to elect for this office.

Elks Doings

To Nominate Officers Monday—Social February 28

Officers for the year will be nominated Monday night by Alexandria Lodge No. 578, Benevolent and Protective Order of Elks.

This lodge has planned a past exalted ruler's night and social for February 28. The election of officers will be held March 14 and the installation of the new officers on April 11 followed by a social session.

Recover Auto

Sgt. Wilkinson and Policeman Bell Find Machine Abandoned Two Hours After Theft

R. J. McKay of the Potomac railroad yards reported to the police at 11 o'clock last night that his automobile had been stolen from the railroad yards. Sgt. W. J. Wilkinson and Policeman Bell started out in an automobile in search of the missing machine and about 1 o'clock this morning recovered it abandoned near Camp Humphreys. Mr. McKay came here this afternoon and obtained his machine.

World War's Cost 348 Billions;
Toll of Life, 43,000,000

Baltimore, Feb. 8.—Total costs of the world war were declared to be more than \$348,000,000,000 by Dr. Richard F. Strong, professor of tropical medicine at the Harvard Medical school, in a lecture yesterday afternoon at Johns Hopkins University. This total, Dr. Strong said, includes estimates of the direct costs of the war, amounting to \$186,000,000,000; the indirect costs aggregating \$84,000,000,000; and the cost of lives lost estimated at \$78,000,000,000. The actual potential loss of life due to the war was placed at 43,000,000 lives by Dr. Strong.

Work And Save

First National Bank Urges All to Join the Movement

The board of directors of the First National Bank has issued the following: This country, like all others, is passing thru a period of readjustment following the great world disturbance. Able men from all sections have studied conditions, and offered remedies, which, in their opinion, will contribute toward a speedy return to "normalcy." The one suggestion upon which they seem to be unanimous is that we all, of every vocation.

A great country-wide movement advocating Thrift is being vigorously conducted in schools, churches and communities. Its success is sure to bring wonderful results, and we hope and feel sure that many of the people of Alexandria will respond to the movement.

Left Estate of \$14,375

Miss Rebecca C. Powell Bequeaths Funds to Relatives and \$500 to Hospital

Miss Rebecca C. Powell, who died several days ago at Annapolis, Md., left an estate valued at \$14,375 according to her will, written in her own handwriting, dated April 19, 1919, which was admitted to probate in the circuit court for this city in vacation today. Testatrix names Sewell S. Hopburn, Jr., of Annapolis, Md., and Gardner L. Booth as executors and directs that they be not required to give any bond. They qualified as such.

Her estate consists of stocks, bonds, notes, deeds of trust and apartment house 621 Duke street. She leaves \$2,000 deed of trust and \$2,000 notes of the United Railway and Electric Company of Baltimore to Richard J. White of Baltimore to be held in trust for the benefit of Selma Leroy Hopkins, wife of N. Snowden Hopkins of Gloucester county, Va., and in the event of her death to revert to children of beneficiary under certain conditions.

Stock in the Citizens' National Bank she leaves to Sewell Hopburn Hopkins and Snowden Hopkins, sons of Selma and N. Snowden Hopkins. After certain obligations are paid on house 621 Duke street she directs that the proceeds from sale of said real estate be given Eleanor Burnwell Hopburn.

The sum of \$500 is left to the trustees of the Alexandria Hospital.

Improve Street

Southern Railway Company Renews Planking on Union Street Between Tracks

The Southern Railway Company has just completed the task of improving its property on Union street from Queen to Wolfe streets, a distance of five blocks. They have renewed the rails, renewed the heavy planking between the tracks and replaced the street with Belgian block. The work was done by the railway company under the direction of the city engineer and street committee. This company also has renewed the plank crossings at Wilkes and Royal, Wilkes and Washington, Wilkes and Columbus, Wilkes and Alfred and Wilkes and Patrick streets.

Expect 600 To 700

Grand Lodge of Masons Hold Opening Session Tonight

Richmond, Feb. 8.—Between 600 and 700 delegates to the annual session of the Grand Lodge of Virginia, which convenes here tonight at 7:30 o'clock in Masonic Temple, Broad and Adams Streets, will be in attendance, according to estimates made by officials here. The session will last through Thursday and will include the annual election of officers, reports of retiring officers, new business and reports of special committees. Enlargement of the Masonic Orphan's Home, located on the Nine-Mile Road, near Richmond, by the addition of a wing which will increase its capacity almost a third, will in all probability be asked of the grand lodge by the board of managers, state members of members of the board indicate.

On display yesterday in Masonic Home was placed a large assortment of products raised at the home to call attention of delegates to the work which is going on at the home. It is probable that the suggestion for enlargement of the home will come up in the form of a resolution in new business, but it may be made in the annual report of the board of governors of the institution.

Opening the session, which begins tonight at 7:30 o'clock at Masonic Temple, will be an address by William W. Galt, of Norfolk, grand master. Tomorrow a session will be held at 7:30 p. m., and Thursday the grand body will convene at 10 a. m. and probably conclude its work by 4 p. m. The Shrine will hold a session directly after the grand lodge adjourns.

Reports of the committee on finance, the grand secretary, Charles A. Nesbitt; the grand treasurer, Dr. Joseph W. Eggleston; the Masonic charity committee, the committee on property and other bodies appointed during the year will be made.

Yes, Prof. Kemper, will be there with the Citizens' Band to render popular selections. Friday, 11th, 8 p. m. Junior Guards entertainment. Young People's Building. Admission 35 cents.

THIRD TRIAL FOR DRY AGENT W.C. HALL

Charged With Killing Lawrence Hudson and Raymond Shackelford

BRENT TRIAL JUDGE

Occurred Nearly Two Years Ago—Trial at Manassas—Expected to Close Saturday

Manassas, Va., Feb. 8.—The third trial of W. D. Hall, the prohibition officer charged with the killing of Lawrence Hudson and Raymond Shackelford, alleged bootleggers, in Shenandoah county nearly two years ago, was begun in the Circuit Court for Prince William County yesterday morning. Up to noon the work of getting a jury had engaged the attention of the court, eleven members having been obtained, when a recess was taken until 10 o'clock today. There will be nine other members added to the jury, and from this venire of twenty men the defense and the prosecution will each strike four men.

It is believed that the remaining jurors will be easily obtained, the sheriff and his deputies being given the list of names by the court and directed to have the report for service in the court at 10:30 this morning.

There was a considerable crowd when the court convened, all of the lawyers being on hand when the judge ascended the bench. The State is being represented by Thomas H. Lion, the attorney for the Commonwealth, and by Judge Frank S. Tawehner and John N. Bausermann, both of Shenandoah, retained by relatives of the dead men to aid the Commonwealth. The defense is in the hands of former State Senator Louis O. Wendenburg, of Richmond; former State Senator M. L. Walton, of Woodstock, and Messrs. Diddake and Mettaz, the latter members of the local bar.

The belief here is that the case will actually get under way by noon today, and that once under way it will be pushed with all possible speed and the trial reached not later than Saturday noon. The accused man is in court and all the witnesses were reported to be on hand and ready to get right in the case. Should there be another hung jury, it is believed that the case will be tabled, there having already been two mistrials.

The double killing took place after the officers had stopped an automobile in which Hudson and Shackelford were riding.

There is a conflict of testimony regarding what took place at the time the officers insisted that when they sought to make an inspection of the car they were fired on, and they say they returned the fire. Hudson, who was eighteen years old, swore just before dying in a Winchester hospital that neither his companion nor himself fired a shot. Three other men were arrested along with Hall, they being Messrs. Sweet, Dunleavy, and Sullivan.

Hall has been twice tried, reports being that the first jury was six to six for conviction, the second time to three. Hall was at first denied bail, and the Supreme Court stepped in and allowed bail. He has been at liberty since that time. The last Legislature directed that no part of the funds of the department shall be used in deferring the officers when arrested and charged with violation of the laws.

Former State Senator Louis O. Wendenburg, of Henrico, who defended the men, will be on hand this time to conduct the defense. The case will be called tomorrow and the date for the actual hearing will begin when Judge Brent has heard from counsel and the date settled. When the car in which the two men were traveling was searched, it was found that they had 280 quarts of liquor aboard.

The Saturday Night Cotton Club will hold the last dance of the season, this evening in the Elks Auditorium. Dancing will begin at 9 o'clock.

Lenten Season

Catholic, Episcopal and Lutheran Churches Arrange Series Beginning Tomorrow, Ash Wednesday

Tomorrow will be Ash Wednesday, and will usher in the potential season of Lent and will be celebrated by the Catholic, Episcopal and Lutheran Churches of the city. The season lasts till Good Friday, March 25 and special services will be held in these churches during the period.

Christ Protestant Episcopal Church and St. Paul's Protestant Episcopal Church have arranged a schedule of union Lenten services, as St. Paul's is without a rector. Ash Wednesday services will be held in Christ Church tomorrow at 11 a. m., the offering at this service will be for the famine sufferers in China. Afternoon service will be at 4:30 Friday, and at 4:30 p. m. each Tuesday and Friday throughout Lent, for the congregations of both churches, and all others in the city who can attend.

There will be no evening services in Christ Church, but at St. Paul's the Rev. Dr. Wallace E. Rollins, of the Episcopal Theological Seminary of Virginia, will deliver a series of lectures on the Gospel on Wednesday evenings at 8 o'clock. The lecture will be omitted on February 23, as a preaching mission will be conducted at Christ Church by the Rev. Dr. William D. Smith, rector of St. Mark's Church, Richmond, Va., beginning Sunday, February 20 and continuing through Sunday, February 27.

Services will be held each evening at 8 o'clock. The public generally is cordially invited to attend these services.

Lenten services at Grace Protestant Episcopal Church will begin tomorrow, Ash Wednesday, with Holy Communion at 7:30 a. m., morning prayer and address at 10:30 a. m., evening prayer and address at 8 p. m. Services will be held every Wednesday and Friday in Lent at 8 p. m. On Wednesday nights the sermons will be preached by visiting ministers from Washington.

At St. Mary's Catholic Church ashes will be blessed and distributed at the 6:30 and 7:30 o'clock masses tomorrow morning and also at the evening services at 7:30 o'clock.

The order of services for the Lenten season provides for masses each morning at 6:30 o'clock and 7:30 o'clock and every Wednesday evening sermon and benediction, and every Thursday afternoon at 3:15 o'clock stations of the cross for the children and every Friday evening stations of the cross at 7:30 o'clock.

Ash Wednesday services will be held at Immanuel Lutheran Church at 8 o'clock tomorrow night. Lenten services will be held every Wednesday evening at 8 o'clock and will be conducted by Rev. C. J. Goette, pastor.

REJECT K. C. OFFER FIVE MILLION GIFT

Will Accept Offer If Dual Control is Lifted It Is Stated

TO HOLD CONFERENCE

Committee to Ask for Elimination of Feature of Office—Drive For Soldier Relief Measure.

Washington, D. C., February 8.—Objecting to the Knights of Columbus stipulation of a dual control of the \$5,000,000 national memorial building in Washington, which condition accompanied the offer made by the Knights to the Legion several months ago, the national executive committee of the American Legion rejected the offer last night, after a spirited secret session of four hours at the Hotel Washington. With this condition eliminated, the Legion will be glad to avail itself of the offer.

It was explained last night that the same stand was taken by the American Legion last year in regard to the action of the Y. M. C. A., in tendering \$500,000. This also stipulated joint control of the fund, but after its rejection with thanks, the Y. M. C. A. again offered the money. (Continued on Page 3)

BROTHER OF DR. DILLARD, THIS CITY, DIES IN RICHMOND

Richmond, Va., Feb. 8.—Lester Lane Dillard, thirty-three years old, of Partlow, Subsylvania county, died yesterday morning at 11 o'clock at St. Luke's Hospital following a short illness. The funeral will take place from Waller's Baptist Church in Spotsylvania at 3 o'clock Wednesday afternoon and burial will be in the church yard.

Mr. Dillard was a member of the firm of W. G. Dillard and Sons, general merchants in Partlow, and his father was a former treasurer of the county. He is survived by his widow, Mrs. Eva Lovelace Dillard, formerly of South Boston, and one son, Lester Lane Dillard, Jr., also by two brothers, Dr. Frank Dillard, an eye ear and throat specialist, of Alexandria, and William R. Dillard, a student at the University of Virginia.

PLAN GOOD TIME

Merchants to Hold Entertainment Tomorrow Night

The second special entertainment for the members of the Retail Merchants' Bureau of the Alexandria Chamber of Commerce and their guests, will be staged by the entertainment committee of that bureau in the club room of the Chamber tomorrow evening.

The entertainment will be preceded by a business session which will begin promptly at 8 o'clock, among other matters the election of one of the officers for a term of two years will be held. After the business session the meeting will be turned over to the entertainment committee, who have arranged an elaborate program. These occasions, affording as they do a little relaxation from the strain of business life, are very popular with our merchants, and a large attendance is expected. To avoid confusion it is requested that all members arrange to arrive in time.

Burial At Marshall, Va.

Cassius H. Cockrill's Funeral Tomorrow—Ship Body Tonight

The body of Cassius H. Cockrill, who shot and killed himself yesterday at his home at St. Elmo, Arlington county, while suffering from nervousness, will be shipped at 9 o'clock tonight to Marshall, Fauquier county, Va., at which place the funeral will be held tomorrow.

Members of Virginia's Lodge of Moose of which he was a member, will hold the Moose service at the Wheatley's chapel at 8 o'clock tonight. The condition of Mrs. Cockrill, who was accidentally shot at the time when she endeavored to reach the weapon from her husband's hand is reported to be improving. Mrs. Cockrill is still a patient at the Alexandria Hospital.

Thought. If the nose of To-day's Cleopatra had been shorter, the whole face of the earth would have been changed. Pasaal.

Crime Raymond B. Fosdick has recently written a book called "American

Police Systems." It makes interesting reading for those who have studied criminology, but the layman likewise finds much food for reflection in its pages. The comparative tables as to the structure of populations of European and American cities is quite informative. For instance, only 3 per cent of London's population is foreign-born; Paris has 6 per cent; Berlin 2.9 per cent; and Vienna about 1 per cent. While New York has a foreign-born population of 41 per cent; Chicago and Boston, 36 per cent each; Cleveland and Providence 34 per cent, and Detroit 33 per cent. New York has an Italian-born population greater than the combined populations of Bologna and Venice. More German-born residents than Bremen, Konigsberg, Posen, Kiel or Danzig. Only three cities of old Austria-Hungary, Vienna, Budapest and Prague, have a larger Austro-Hungarian population; while but five Russian cities contain more Russians.

Charleston, S. C., has 52 per cent of its people negroes. Memphis, 40 per cent. Richmond, 36 per cent. Birmingham, Ala., 39 per cent. Savannah, 51 per cent. Atlanta, 33 per cent. Washington, 28 per cent.

The official census proclamation of 1920 in New York City was printed in 22 languages.

It is well-known that a heterogeneous population is always more difficult of police control, and crime more prevalent. In 1916, 1917, and 1918, there were each year more murders in the one city of Chicago than in England, Scotland and Wales combined. New York in 1916 had exactly six times the number of homicides that London had in the same year.

All the other crimes bear much the same proportion. The automobile thefts in 1919 were 5527 in New York, 4316 in Chicago, 3482 in Detroit. While London had 290, and Liverpool only 10, the same year.

We recommend the study of this book to Congress. It is impressive if not startling in view of the prevailing immigration laws, and the sickly sentimentality of the average stump-speaking, curbstomp-thinking congressman. It will take us fifty years to assimilate what we now have. Besides,

the best of the European peoples have long ago migrated to the land of the brave and home of the free, and today conform to the best traditions of Americanism; while the new migrations from Europe come here inoculated with the false and destructive theories of Bolshevism. It is, indeed, time to call a halt!

OPPOSES ARRESTS

Washington, D. C., Feb. 8. Gentleman:—I just want to express my opinion of the way in which the noble policemen of Alexandria were staging the daylight hold-up game at the corner of King and Alfred streets, Sunday.

In my opinion this is a disgrace to the city of Alexandria. I thought the police of Washington were about as hard on the motorists as any I have ever seen, but I must hand the laurels to your force. The hold-ups staged yesterday will be heard from for considerable time.

If the department wants traffic handled in the right manner at this corner, then let them put some kind of warning there, either in the form of a traffic officer or a sign directing the motorist. It seems rather unfair to the stranger in the city, who probably has never passed this particular

spot and who does not make the complete turn around the tiny disk in the street to send him to the station and pay an outrageously large fine. It would seem to the outsider that the police department is in need of funds. Give the motorist a chance by at least warning him the first time. If the offense is repeated, then it is time to fine him.

I am a resident of the county, and must say that I am certainly ashamed of the proceedings yesterday.

Yours very truly, James N. Lykes

A MOTHER'S ADVICE

TO OTHER MOTHERS

Where Little Ones Have No Appetite and Who Are Weak and Sickly

"My little girl, now seven years old was troubled for a long time with a very bad cough and a poor appetite. The doctor didn't seem to help her and she went along in that condition until a friend called my attention to Chasco-Vin and I bought a bottle for her to try. The result from the first bottle was wonderful. Her cough is gone and her appetite is so much better."

I hope other mothers will hear of Chasco-Vin and their little ones will be helped by it as my little one was. Mrs. Wm. MacDonald, 1618 Filmore street, Camden, N. J.

Chasco-Vin is pleasant to take and children like it. It is a Strength-Creating Tonic, for both young and old, containing Tasteless Cod Liver extract, Hypophosphites, Iron and Malt and other blood-making and body-building ingredients.

Usually one or two bottles will increase the strength and vitality of those who are weak and run-down as much as 100 per cent in two weeks' time.

Chasco-Vin is sold only by specially appointed agents. In Alexandria the agent is Edgar Warfield, Jr., King and Pitt streets. For ordinary coughs take Chasco Koff Knockers. For slight colds take Chasco-Kold Knockers, made by the Mfgs of Chasco-Vin.

REJECTS K. C. OFFER

FIVE MILLION GIFT

(Continued from Page One)

Without condition. What that understanding, the Legion accepted the \$500,000, and is now using the interest derived therefrom for the benefit of disabled and wounded soldiers, sailors and marines.

At midnight, following an exhaustive discussion of the matter, a committee drafted the following statement to the public, which was approved by the committee before being given out.

"Acting upon the offer of the Knights of Columbus to donate \$5,000,000 to the American Legion for the erection and maintenance of a national memorial building in Washington, the national executive committee of the American Legion decided that it was not best to accept the offer in its present form with the conditions imposed therein.

"A special committee is to be appointed by the national commander to confer with the Knights of Columbus to ascertain whether the Knights of Columbus are willing to revise the offer so as to tender the fund unconditionally. It was decided that if such revision is made, the offer will be accepted.

"Members of the national executive committee who took part in the discussion were unanimous in their appreciation of the generous motives impelling the offer."

Commander F. W. Galbraith appointed John C. Wicker, Jr., of Virginia; John G. Emery, of Michigan,

and T. S. Wameley, of Louisiana, to convey this message to the Knights of Columbus and to learn the wishes of the knights in the matter.

A concerted vote for two or three definite soldier relief measures which have a chance to pass at this session of Congress, leaving all other pending bills of a similar nature to be taken up with the next Congress, was decided upon at the opening session yesterday of the executive committee held at the Washington Hotel.

"We will work until the last moment of this Congress for the Langley-France bills, which propose appropriations of \$29,530,000 for new hospitals," announced Col. F. W. Galbraith, national commander. "We will press for favorable action on the Wason bill, which provides for the creation of fourteen regional offices of the bureau of war risk insurance,

payment of premiums through local postoffices and exempting disabled men from paying war risk insurance.

"Contrary to certain reports," we have not received an inch on the adjusted compensation measure, although it is true that legislation in behalf of wounded and disabled veterans lies nearest to our hearts. The adjusted compensation bill has only to pass the Senate to become a law. It is now in the finance committee of the upper house, and our efforts to have it reported out have not abated to the slightest degree. It may finally be put up to the Senate minus the cash bonus feature, but leaving the other optional clauses, such as adjusted service certificates, loans on homes or farms and the like."

Commander Galbraith referred bitterly to the fact that current appropriations for soldier aid, including

hospitals, have been cut in Congress as the bill stood at present. He added:

"This year the government has been caring for 17,400 men on an appropriation of \$46,000,000. Next year there will be 27,000 to provide for, and yet it is proposed to appropriate only \$33,000,000 for them. Fully \$50,000,000 is needed.

"It is impossible to take a pencil in this way and draw it through the blood of disabled soldiers. If such a thing is done the Congress of the United States would be responsible for wringing drops of blood out of the nation's defenders."

The committee approved the very thorough and comprehensive reports of Gilbert Heiman, Ohio, and John Thomas Taylor, District of Columbia, chairman and vice chairman, respectively, of the national legislative com-

mittee. A special legion delegation will interview every senator and representative who is in any way connected with soldier legislation today and tomorrow.

VIRGINIA NEWS

Richmond, Feb. 8.—A reduction of 20,493 skilled employees employed in eight industrial trades in Virginia is shown for January 1921 over the previous January, as shown in the monthly report of Ralph Izzard, district director, United States Industrial Employment Survey, Department of Labor, issued today.

This report shows that a year ago 74,316 persons were employed in these trades while last month only 53,823 were so employed. The general apathy in business, while buyers are waiting for prices to return to normal, is given as the reason for this falling off in employment.

Last year 17,567 persons were employed in the metal products, machinery, electrical goods and foundry products group against 13,318 now. 9,465 in the building trades against 4,732 last January; 7,233 in the packing and food products group against 5,867; 14,754 in the textile industry against 11,803; 4,349 on shoes and leather products against 3,915; 1,203 against 802 in the automobile and accessory business; 16,258 in the lumber and furniture industries against 10,849; and 3,197 against 2,557 in the clay, glass, cement and stone products groups.

Richmond, Feb. 8.—Secretary of the Treasury David F. Houston, and Federal Reserve Board Governor H. P. G. Harding will be the guests of Comptroller of the Currency John E. Keeton Williams at his home in Richmond from next Friday until Sunday, it was announced today.

Richmond, Feb. 8.—"Virginia Labor," the official organ of organized labor in the Old Dominion, published in Richmond yesterday, announced that it will suspend publication. No reason for such suspension was given in the announcement.

Richmond, Feb. 8.—The Association of Virginia Colleges will hold their annual meeting at the Hotel Jefferson here February 18 and 19, it is announced.

Among the speakers will be J. A. C. Chandler, president of William and Mary College; Dean H. D. Campbell, of Washington and Lee University; John H. Latane, dean of Johns Hopkins University in Baltimore; Julian A. Burruss, president, Virginia Polytechnic Institute; P. P. Claxton, United States Commissioner of Education in Washington; and J. D. ferred no ill-effects from his attendance at the theatre last week—his first appearance in public since he was taken ill more than 18 months ago—President Wilson again attended the theatre last night. He was accompanied by Mrs. Wilson and her brother, John Randolph Bolling.

The President last night chose a musical comedy in contrast with the heavier production, John Drinkwater's "Abraham Lincoln," which he saw on his first visit. Mr. Wilson and his party reached the theatre about five minutes before the performance began and, as on his previous visit, he added only by a cane, walked to one of the lower boxes.

The audience, not so much taken by surprise as last week, immediately rose and cheered loudly. The President responded by bowing.

20 TIN PLATE MILLS RESUME

Pittsburgh, Feb. 8.—Twenty of the McKeesport Tin Plate Company mills at McKeesport resumed operations yesterday after a shutdown since December 29. The men, who returned to work, accepted a 20 per cent wage reduction.

Officials of the concern said they were hopeful that conditions will warrant continuous operations with gradual additions. Twenty-four other mills of the company are still shut down.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

SPORTS

At the meeting of the Cardinal Athletic Club held at the home of Sylvester A. Breen, president, Sunday night, a mass of business relating to matters for the best interests of the club were discussed by the members.

Manager Harry C. Crump will not compel any baseball players to sign an agreement to play with the Cardinals, but left it to the will of the players as to whether they would cast their lot with the Cardinals or join another team. Every player is at liberty to play with the baseball team of his choice, and the Cardinals do not desire to interfere with those who are anxious to improve their condition in the athletic world. There is no former or present member of the Cardinal Athletic Club who can deny truthfully that they have not been treated with fairness and kind consideration at all times by the president of the Cardinals, who has had their best interests at heart and has worked hard to advance their athletic ambitions in every way.

The United States of America is a free and grand country where every man is allowed to do as he pleases, provided he does not violate the laws of the land, and the same can be applied to baseball players.

The Cardinals will not have to worry about getting baseball players for the team as many excellent college and former stars, who are now business and professional men, have asked permission to play week-end games so as to keep themselves in good physical condition.

The Cardinals will make a tour of Virginia playing some of the leading college teams of the State, during the early days of the baseball season. Manager Crump will use an ambulance automobile for transportation purposes, and he expects to be absent a week.

An effort will be made to have a well known big league player visit this city to instruct the boys in the fine points of the baseball game at intervals during the coming season. The Cardinals' officials have learned from past experience that is bad policy to arrange games with teams in a verbal way, as many have caused annoyance and disappointment by their failure to keep engagements to play baseball games in this city. Hereafter all teams will be required to sign a contract form of agreement to show that they mean business.

Paying the Mortgage
If the money you are earning today is to be paid for debts on Saturday, or at the end of the month, you are "owned" by those from whom you have borrowed or who hold bills against you. They have a mortgage on you—a lien on what you make. Isn't it worth while to work and save and pay off this mortgage? Wise spending and regular purchases of government savings securities and other profitable investments will help you.

Receipts For Success
Marshall Field had a receipt for success. It was this: "If you would succeed in business always spend a little less than you earn. No matter how small your earnings you should master this art." James J. Hill, the railroad builder, said: "If you want to know whether you are destined to be a success or a failure in life, you can easily find out. The test is simple and infallible. Are you able to save money?"

HALT TO RECRUITING IS ORDERED BY BAKER

Washington, Feb. 8.—Complete cessation of army recruiting was ordered last night by Secretary Baker in accordance with the direction of

Congress, as embodied in a joint resolution passed over the veto of President Wilson.

The War Secretary acted to stop recruiting through orders sent all recruiting offices within a few hours after Congress had completed adoption of the resolution, which directs cessation of all recruiting until the army is reduced to 175,000 men. Beginning tomorrow no recruits will be accepted for the army except those who have served one or more enlistment periods.

Army officials have estimated that it will require nine months, or until next November 1, to reduce the army from the present more than 213,000 enlisted men strength to the 175,000 figure.

The Senate voted 67 to 1 late yesterday to override the President's veto of the reduction resolution, Senator Kirby, Democrat, Arkansas, alone being recorded as sustaining the President. The House voted overwhelmingly to adopt the resolution over the President's veto last Saturday, soon after the veto message was received at the Capital.

Bread ought to be something more than merely "ballast."

In point of fact, if it is the right kind of bread it will supply more than its proportionate share of the nourishment. It all depends upon WHAT it is made of—and HOW it is made.

That is why it is so important that you select your bread discriminatingly—with a knowledge of these essentials.

Analyze CORBY BREAD and you will find that it is made of the PUREST INGREDIENTS that can be assembled. Study the making of it, and you'll find that by reason of the method of making that the FULL GLUTEN CONTENT of the flour is developed and ALL the nourishment possible is obtained.

CORBY BREAD is 100 percent pure—and 100 percent nutritious—

Not by chance; not occasionally—but every loaf, every day—the inevitable result of WHAT it is made of; and the "HOW" of the making.

CORBY BREAD is made right here in Alexandria and is delivered fresh from our ovens to your grocer and delicatessen.

Pure as Mother Made It.

Ford

THE UNIVERSAL CAR ANNOUNCEMENT!

Mr. Edsel B. Ford, President of the Ford Motor Company, gives out the following statement:

"The price of the FORDSON Tractor has been reduced from \$790.00 to \$625.00, effective immediately.

"This price change has been made possible through lower costs of materials and the fact that we are now located in our new Tractor Plant with greatly increased economic manufacturing facilities in immediate connection with our foundry and machine shops and large blast furnaces where iron is poured directly from the ore, giving us maximum efficiency with the power to reduce cost of production, and down comes the price in line with our policy to market our products at the lowest possible figure without in any way affecting our high standard of quality.

"We are particularly pleased in being able to bring about this big reduction in price at this time because the farmer needs all the help we can give him and this big cut in price will be the means of placing a valuable power unit within the reach of practically every one of them, not to mention industrial and commercial concerns which likewise have benefited through its use and are already realizing, to a much greater extent, its value as a power and hauling unit. But particularly has the FORDSON Tractor proved a most valuable factor in the saving of farm labor; at the same time increasing the per acre crop yield as well as making possible a utilization of previously uncultivated land, to say nothing of removing the end of a day's work.

"There is no question that the use of machine power on the farm is the greatest advancement made in the development of agriculture, not only in money saving and money making results, as well as raising the standards of living on the farm to a much higher level, but because of its proved value in making every type of land more productive, and consequently our desire to place the FORDSON within the reach of all.

"THERE IS NO CHANGE IN THE PRESENT FORD CAR AND TRUCK PRICES, which are already at the lowest possible figure and now with rock bottom reached on the tractor price a further reduction in price of either the car, truck or tractor is out of the question; in fact, the big price cuts have been made in anticipation of continuous maximum production and increases may be necessary before long if a large volume of new orders is not obtained. Therefore, present prices of Ford products cannot be guaranteed against possible increases."

Ask for the book "The Fordson at Work," which will be supplied free of cost. Let us demonstrate the value of the Fordson on your farm, in your factory, lumber yard, coal yard, or in any general hauling or power work you have to do and let us have your order for a Fordson.
